MESSAGE FROM THE CHAIR

Greetings ASQ Members and Friends,

I hope everyone had a wonderful holiday! Now it is time to get back to business. We have lots to do – nominations, elections, arranging and attending monthly meetings and so on.

The January monthly meeting with the Past Chairs cancellation was due to bad weather. I have moved that meeting to February 17, which will be at the Emmitt House Restaurant in Waverly, Ohio. A new announcement will be sent out.

The Emmitt House restaurant has recently reopened and is under new management. I thought this would be a good opportunity to support the reopening. Hope to see you there!

Andrea Davis, Scioto Valley Section Chair, 2010-2011

NOMINATIONS FOR 2011-2012

Now that we have made it through Ground Hog day I (Doug Scott) have started to pull together the list of nominations for officers for the Scioto Valley Section ASQ for the 2011 – 2012 year. This service year starts July 1, 2011. We are always interested in bringing in new people to join us on the Leadership Committee with new ideas and backgrounds. I am chairman of the Nominating Committee and I am looking for people interested in serving as Secretary, Treasurer, and Vice Chair of the Section. Our desire is to have three or four vice chairs who would progress on to chair elect then eventually Chair of the Section. Each officer is required to be a member in good standing of ASQ and the Scioto Valley Section. Serving as an officer, committee chair or committee member has the added benefit of earning you 1.5 recertification units per year of service good to all ASQ certifications.

The Scioto Valley Voice

Our Chair Elect this year is Dan Longpre who will progress to Chair next year. Anyone who would be interested in serving as an officer or as a committee Chair or member should contact me at rdscott@horizonview.net or by phone at 740 289 3282 extension 345.

CERTIFICATION PREPARATION – A MESSAGE FROM THE CERTIFICATION CHAIR

Certification is formal recognition by ASQ that an individual has demonstrated proficiency within, and a comprehension of, a specified body of knowledge. It is peer recognition, not registration or licensure. Certification demonstrates that the certified individual has the knowledge to assure quality of products and services. Certification: 1) is a mark of excellence; and 2) is an investment in your career and in the future of your employer. Studying for the one of the ASQ Examination allows the individual to gain new skills and upgrade their proficiency. Maintaining your certification secures the investment you've already made in your career.
