### **MESSAGE FROM THE CHAIR**

Hello Everyone!

Our April 10<sup>th</sup> meeting was another important chapter in this section's history. The election of officers is vital to the continuity and future of our section. I am particularly pleased to see the level of involvement from the section membership to elect the new officers for 2007-2008. Thank you!!

Also, let me sincerely congratulate our officers:

Chair -	Cindy Davis
Chair Elect -	John Hobensack
1st. Vice Chair -	Bob Ervin
2nd. Vice Chair -	Connie Lang
3rd. Vice Chair -	Pamela Sperling
Treasurer -	Doug Scott
Secretary -	Oscar Phillips

I am confident they will provide great guidance and will truly welcome input from all the membership for the direction of the section.

Organizations like ASQ, and our section, are only as good as the members and their contributions. It is with some sadness for our section and great joy for Oscar Phillip's career, that Oscar will be leaving our section effective immediately for a great career opportunity near Houston, Texas. Oscar served faithfully as the section's Secretary. Through the use of our phone bridge, Oscar let no distance get in the way of his involvement as he frequently participated in Leadership Committee meetings using the phone technology.

Oscar proudly holds an ASQ Certified Quality Engineer certificate, is an ASQ Senior Member, while serving as the Section's Secretary. Oscar assures us he will remain affiliated with ASQ as he embarks on his new journey.

All of our best wishes to Oscar!!

Connie Lang has agreed to serve as Secretary effective immediately and through the 2007-2008 year. I thank Connie for her willingness and interest! She will no doubt do a wonderful job!!

Please consider joining the Leadership Committee and become involved in our future direction. Our next meeting will take place 5:30 pm at the OSU South Centers in Piketon on June 7th.

If you are unable to make the drive, we have a voice bridge so you can call in and participate. The number for the Voice Bridge is 800-508-1298 PIN 2142. Call during the meeting and be a part. Finally, feel free to email ([boulay.1@osu.edu](mailto:boulay.1@osu.edu)) or call me 740-289-2071 x228 and give your input.

David Boulay, Scioto Valley Section Chair, 2006-2007

## TOTAL QUALITY & EXCELLENCE AWARD

In acknowledgement of our dedication and hard work, the Scioto Valley Section 0815 has obtained another Total Quality & Excellence Award, the highest levels of achievement in management process. Our Section was honored Saturday, April 28, 2007, at ASQ's 61st World Conference on Quality and Improvement in Orlando, Florida. Our Leadership Team has proven its dedication to our members and ASQ by striving to provide the highest quality programs and services. Great accomplishment!

## JUNE PROGRAM

The section will be holding a Golf Outing in place of a program event in the month of June. See the flyer at the end of the newsletter for details on registration. The program schedule is complete for the 2006-2007 year. A new schedule will be provided in future issues of the newsletter. Join me in thanking those individuals who plan the speakers and meals for these programs. You do a great service for the Section.

### **CERTIFICATION PREPARATION – A MESSAGE FROM THE CERTIFICATION CHAIR**

Certification is formal recognition by ASQ that an individual has demonstrated proficiency within, and a comprehension of, a specified body of knowledge. It is peer recognition, not registration or licensure. Certification demonstrates that the certified individual has the knowledge to assure quality of products and services. Certification: 1) Is a mark of excellence; and 2) Is an investment in your career and in the future of your employer. Studying for the one of the ASQ Examination allows the individual to gain new skills and upgrade their proficiency. Maintaining your certification secures the investment you've already made in your career.

The following link on the ASQNet.org web page provides valuable information on resources to help you prepare for the various certifications that ASQ offers:
