MESSAGE FROM THE CHAIR

Greetings ASQ Members and Friends,

The mornings are chilly, the fall foliage is looking great, and the apple cider is wonderful! Fall is upon us and soon will leave for a less hospitable season – winter. While the weather is just right, what better time to get out than to attend our 10/20/11 dinner program meeting on Quality in Golf Club Manufacturing and Policing of Counterfeit Clubs at the Fairgreens Golf Course in Jackson, Ohio. Time is getting short, though, if you want to participate in a great dinner. We need your RSVP preferably by 10/13/11, but no later than 10/14/11. This should be an informative and relaxing time for all.

Lots of news these days makes us feel uncomfortable, but if I dig deep I can usually find something that makes my spirits heighten – an oil boom going on in North Dakota, a plant being built somewhere, someone hiring. I think business is wound up like a tight spring, and when it lets go there will be an enormous amount of opportunity. The mainstay of that opportunity will be Quality. All they had to do in the movie Field of Dreams was to build the playing field and the players and spectators came, but in the real world you have to build it with top quality and a competitive price to get them to knock on the door. When we turn the corner we will have all learned something from these times that will make us stronger and better down the road. If we accomplish one thing in our section this year, let's try our best to raise the spirits of each other, and keep our sights on the corner on the horizon.

Dan Longpre, Scioto Valley Section Chair, 2011-2012

OCTOBER PROGRAM MEETING

DATE: Thursday, October 20, 2011

TOPIC: Quality in Golf Club Manufacturing and the Policing of Counterfeit Clubs

MEETING SPEAKER: Jim McCleery, Owner McGolf Custom Clubs, Waverly, Ohio

SPEAKER BIOGRAPHY: The speaker is Mr. Jim McCleery, who along with his wife Robin owns and operates McGolf Custom Clubs in Waverly. McCleery has been in business since 1999 and now offers a practice facility, computerized fittings, custom golf club repair, retail accessories and lessons.

McCleery will discuss the quality aspects of golf club components and manufacturing and the proliferation of counterfeit and imitation golf equipment in the market. Imitations of brand name golf clubs such as TaylorMade, Callaway, Ping, Titleist, Nike and Cobra are made from inferior materials and are inconsistent in structure. The industry and regulators are challenged in monitoring and preventing violations.

McCleery is a certified advanced professional clubmaker, fitter and repairer. He has achieved several awards and is a member of the board of directors of the International Clubmakers Guild. McCleery's operation is the only advanced "Rifle Center" in Ohio. Rifle Centers are considered the best of the best with certification attainable only through attendance at schools with other clubmakers and clubfitters from around the world.

LOCATION: The location is the Fairgreens Golf Club (<http://www.fairgreensgolfclub.com/>) and its White Hart Restaurant just east of Jackson. Tee times will be available in the afternoon prior to the program for those interested in playing the 9-hole course.

AGENDA: 5:30 p.m. Registration and Networking
6:15 p.m. Dinner
7:00 p.m. Presentation

MENU: Dinner is spaghetti, garlic bread, salad, dessert and soft drinks. Cost of the meal is \$15 per person. You may attend the meeting without participating in the meal.

RE-CERTIFICATION UNITS: Those holding certifications will receive 0.3 recertification units for attending this presentation.

GOLF: Tee times have been set for Section members to play the course prior to the dinner program. Blocks are available around 2:00 p.m. for those who want to play 18 holes and around 3:30 p.m. for those playing nine holes. Golfers will pay directly in the clubhouse. The cost for 18 holes with cart is \$25; for 9 holes with cart \$15. Walking is optional; greens fees are \$7.50 for nine holes. Contact Tim Matchett (tmatchett@geigerbrothers.com) to make golf arrangements up until the morning of the program.

DINNER RESERVATIONS: Please contact Tom Houk (tom.houk@lex.doe.gov) **BY THURSDAY, OCTOBER 13, 2011**, for reservations. Please indicate at time of reservation if you will be participating in the meal.

CERTIFICATION PREPARATION – A MESSAGE FROM THE CERTIFICATION CHAIR

Certification is formal recognition by ASQ that an individual has demonstrated proficiency within, and a comprehension of, a specified body of knowledge. It is peer recognition, not registration or licensure. Certification demonstrates that the certified individual has the knowledge to assure quality of products and services. Certification: 1) is a mark of excellence; and 2) is an investment in your career and in the future of your employer. Studying for the one of the ASQ Examination allows the individual to gain new skills and upgrade their proficiency. Maintaining your certification secures the investment you've already made in your career.
